Looking for money and guidance? You've come to the right place!

Welcome to the Merseyside Funding Information Portal, an online resource that will give you all you need to know about funding your charitable or community work, whether you are an individual, community group, voluntary organisation, registered charity or social enterprise. In addition, information and support in tendering and procurement related opportunities for voluntary bodies is now offered through this portal.

Getting Started! Click here to find out how to use this portal.

Funding through your email! Click here to sign up to our free email update service. This will send updated information straight to your inbox so you don't miss out on a penny of that funding!

Help! I need somebody! Don't know where to start? Can't find what you are looking for? Click here to get in touch with your local support agency to speak to someone about your funding needs and where to access the right information.

Who is involved in MFIP?

Funding for the set-up of this resource has come from ChangeUp Merseyside, Connexions Greater Merseyside, and the local authorities of Sefton, Knowsley, St. Helens, Wirral and Halton.

The Merseyside Funding Advisors Group is acting as the steering group for this project. This group is made up of funding advisers from the Greater Merseyside CVSs and local authority external funding advisers and Lottery officers. This team of funding experts are collectively supplying up-to-the-minute information on funding issues for your local area.
